

Bio-Chel™ Fe Liquid

5% Fe w/v

Bio-Chel Fe is a unique organic liquid iron, chelated using a unique modified lignin source which has been optimised to ensure stability and availability across a wide pH range of between 2.0-9.0.

CROPS

For use in all agricultural crops including cereals, vegetables, fruit crops, vine and citrus crops and ornamentals.

GUARANTEED ANALYSIS

	w/w	w/v	g/l
Iron (Fe)	4.2 %	5.0 %	50

Bio-Chel Fe is easy to use, non-phytotoxic and provides high levels of chelated iron when used in foliar and/or fertigation systems.

Bio-Chel Fe is safe to use and unlike other chelates does not cause leaf burn when used at recommended rates.

10 litres e

CROP TIMINGS AND APPLICATION RATES

Crops	Liquid rate per Ha (foliar)	Liquid rate per Ha (irrigated)	Application timings
Tree fruit	2.0-3.0lts	2.0-5.0lts	As required for all crops
Stone fruit	2.0-3.0lts	2.0-5.0lts	As required for all crops
Berry fruits	1.0-2.0lts	2.0-4.0lts	Apply from after planting and as required from analysis
Fruiting vegetables	1.0-2.0lts	1.5-5.0lts	Apply from planting and supplement as required
Vegetable crops	2.0-3.0lts	N/A	Apply as required from analysis
Grapes	2.0-3.0lts	4.0-5.0lts	Apply as required from signs of deficiency or as required
Sportsturf	2.0-4.0lts	4.0-5.0lts	Apply as required from signs of deficiency or as required
Ornamentals	1.0-2.0lts	4.0-5.0lts	Apply as required from signs of deficiency or regularly as iron source every feeding

Bio-Chel Fe, is a rootzone and foliar fertiliser and best results will be achieved by regular application. Bio-Chel Fe is compatible with fertilisers and pesticides, however when mixing with multiple products or new products for the first time a simple jar test is recommended. For more detailed application rates and timings for specific crops please contact your Engage advisor. Always read the label before use.

PRECAUTION STATEMENTS

P280: Wear protective gloves/protective clothing/eye protection/face protection

P305+P351+P338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
